# SUMMER SCHOOL 2019

at the Faculty of Management

Technical Foundation for International Students

A 4 week credit bearing program in September

# SUMMER SCHOOL FACULTY OF MANAGEMENT

## TECHNICAL FOUNDATION FOR INTERNATIONAL STUDENTS

**STUDY ABROAD:** In the Summerschool, international students acquire fundamental technical skills and engineering knowledge and learn to work at the interface between technical and business areas.

### 5 REASONS TO JOIN THE SUMMER SCHOOL

- I Study in one of Germany's most successful economic regions (renowned for Porsche, Mercedes - Benz, Bosch, ...)
- I Choose from high-quality courses in Technical Foundation in English
- I Gain cultural insights together with other international students from all over the world
- I Learn German and enhance your career chances
- I Travel Europe! Discover Munich, the Black Forest, the Alps, Paris, Rome, ...

### COURSE OFFER – SEPTEMBER 2019 (limited number of participants: 20 students)

- I Material Science (2 ECTS)
- I Statics and Strength (2 ECTS)
- I Manufacturing Technology (2 ECTS)

**Duration of the Summer School is 4 weeks: From 2nd of Sept. to 27th of Sept. 2019**

After the completion of the summer school further courses can be chosen within the faculty of management as well as from other faculties.
