The Student union subsidise the cost of the following:

Student cafeteria, accommodation, childcare, loans and insurance, legal advice, psychological counselling, social counselling & funding.

The D-Ticket Jugend is for students under 28. It is valid throughout Germany (not for ICE trains) and costs €365 per year, paid monthly.

Students over the age of 27 can buy a D-Ticket which is valid throughout Germany (not for ICE trains) and costs €49 per month.

Information about "blocked bank account" – Sperrkonto (for visa purposes)

On order to get a Visa, International Students must open a „Sperrkonto“ (blocked account) before the visa can be issued. Normally ***11,208 €** (934 € x 12months) must be deposited into this account.

*However, the local immigration office insist on proof of your financial security for the whole of the study period (18 months) which means you will have to deposit another 5,604 € before they will consider a visa extension/ residence permit until the end of the study period.

This means we highly recommend that you deposit **16,812 €** at the outset!
