## Module 635 English

11	<p><b>Contribution of the Module to the Educational Aims of the Degree Program</b></p> <p>This is the first obligatory English module of the programme. It lays the foundation for modules of the fourth course which are held in English. A business fluent general and specific English is of great importance in the business life of an engineer.</p>
12	<p><b>Date of last Modifications</b></p> <p>15.05.2019</p>
