

BIP "Management and Technology"

CONFIRMATION OF LEARNING OUTCOMES

This certificate is to notify that the listed students have proved the knowledge they have acquired related to the Blended Intensive Programme and that the learning outcomes of the BIP programme have been reviewed by the sending university. It is up to the coordinators of the home university to decide how to review the learning outcomes (group presentations, individual presentations, workshops, written reports).

The document must be submitted to Esslingen University by 31. May.
